INDEPENDENT AUDITORS’ REPORT

To the Board of Directors of
Soaring Eagle, A Public Charity
P.O. Drawer 879
Billings, Montana 59103-0879

We have audited the accompanying financial statements of Soaring Eagle, A Public Charity (a not-for-profit corporation, hereinafter “Soaring Eagle”), which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to Soaring Eagle’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Soaring Eagle’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Soaring Eagle as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Soaring Eagle, A Public Charity ("Soaring Eagle") is presented to assist in understanding Soaring Eagle’s financial statements. The financial statements and notes are representations of Soaring Eagle’s management, which is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Organization:
Soaring Eagle was formed in 1997 as a nonprofit corporation with the objective of building and operating a nondiscriminatory assisted living facility, with an adjoining adult daycare center located outside the Cheyenne Indian Reservation in Ashland, Montana. These financial statements include the following operations:

- Soaring Eagle’s – Heritage Living Center;
- Soaring Eagle’s – Fundraising Operation; and
- Soaring Eagle’s – Annuity Administration Fund

In August 2002, Soaring Eagle began operating an assisted care facility called the Heritage Living Center. The Heritage Living Center serves the elderly and disabled population of Ashland, Montana and the surrounding area of the Northern Cheyenne Indian Reservation. This is the only licensed assisted living facility within 100 miles of the Northern Cheyenne Indian Reservation. The facility provides personal care, meals, laundry, medical transportation, and opportunities for group socialization. The facility has 40 units to accommodate residents with varying levels of need.

The Soaring Eagle Fundraising Operation has the primary objective of raising funds for the operation maintenance and future expansion of the Heritage Living Center. Additionally, the Fundraising Operation engages in cultural and historical activities, namely to record the heritage of Northern Cheyenne people. This includes the preparation of audio tapes, translations, and transcriptions of legends, oral history, and traditions of the tribe. Costs related to this work have been classified as program services under the caption education.

The Soaring Eagle Annuity Administration Fund operates the planned giving and charitable gift annuity program administration. This program provides for the financial administration of annuity reserves and processing payments to the annuitants according to the terms of each agreement. The net income earned from the annuities provides funding for the operations of the Heritage Living Center.

Income Tax Status:
Soaring Eagle is exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for federal or state income taxes is required. Soaring Eagle evaluated its activities for uncertain tax positions and determined that there were no uncertain tax positions for 2019 and 2018. Soaring Eagle files an IRS Form 990 that is subject to review and examination by federal, state, and local taxing authorities. Soaring Eagle has determined that it has registered in all states where it is required to be registered.
NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Accounting:
The books of accounts are maintained on the accrual basis of accounting. Revenue is recorded when earned and expenses are recorded when incurred.

New Accounting Pronouncement:
On August 18, 2016, the Financial Accounting Standards Board (“FASB”) issued ASU 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. The FASB is a private, non-profit organization standard-setting body whose primary purpose is to establish and improve U.S. GAAP. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. Soaring Eagle has adjusted the presentation of these statements accordingly.

Basis of Presentation:
Soaring Eagle is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions, and net assets with donor restrictions, which are defined as follows:

- **Net assets without donor restrictions** - Net assets that are not subject to donor-imposed stipulations.
- **Net assets with donor restrictions** - Net assets subject to donor-imposed stipulations or other stipulations that may or will be met, either by action of Soaring Eagle and/or the passage of time. When a restriction expires, these net assets are reclassified annually to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Soaring Eagle did not have any funds that were stipulated by the donor to be maintained in perpetuity as of June 30, 2019 and 2018.

Cash Equivalents:
Soaring Eagle considers all cash in demand deposit accounts, money market savings, treasury bills and certificates of deposit with original maturities of ninety days or less to be cash equivalents. These balances do not include cash or cash equivalents held in the investment accounts, which are included as a component of investments.

Fair Value Measurement:
Investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value hierarchy is used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring the most observable inputs to be used when available. The fair value hierarchy is categorized into three levels (see Note 2).
NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property and Equipment:
Property and equipment are stated at cost, if purchased, or fair value, if contributed. Maintenance and repairs are charged to expense and betterments of $1,000 or more are capitalized. Depreciation is computed using the straight line method over each asset’s estimated useful life or the shorter of the lease term. Estimated useful lives are as follows:

- Buildings and building improvements: 15 - 25 years
- Furniture and equipment: 5 - 15 years
- Automotive: 5 - 8 years

Contributions:
Contributions and grants received are recorded as either an increase in net assets with donor restrictions or net assets without donor restrictions depending on the existence and/or nature of any donor restrictions. All contributions and grants are recognized as revenue when pledged. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Legacies and Bequests Revenue and Receivables:
Soaring Eagle generally reports legacies and bequests available for unrestricted use during the year received unless specifically restricted by the donor. Soaring Eagle applies the following procedures regarding revenue recognition of the bequests and legacies:

In instances where the value of the estate is made available to Soaring Eagle, assets and revenue are recorded on the books in the amount of the estimated fair market value, net of estimated fees and estate taxes. The collectability of the bequest receivable balance is evaluated on an annual basis and the balance is adjusted accordingly to reflect any fluctuations in the market value. Bequests and legacies revenue is presented net of revised realization estimates of bequest revenues recorded in prior years.

In instances where Soaring Eagle has been notified that they will be receiving a bequest, however the value of the bequeathed estate is not known and cannot be reasonably estimated as of the statement of financial position date, revenue is recorded at such time as the amount of the bequest is estimable. Most bequests are settled within two years; as such no discount has been provided to fair value such bequests to current value. In addition, all legacies and bequests receivable with donor restriction for time restricted purposes have been recorded and presented in the financial statements at present value.

Resident Income:
Resident income is recognized on a monthly basis based on the number of individuals residing in the Heritage Living Center.

Accounts Receivable:
Soaring Eagle considers receivables past due or delinquent when payments have not been received in a timely manner, and receivables are written off when management deems the possibility of collecting amounts due as completely unlikely. Soaring Eagle closely monitors outstanding balances for all receivables and adheres to a standard set of protocols for collection activities to be undertaken at certain times based upon delinquency status. At June 30, 2019 and 2018, management established an allowance for doubtful accounts of $4,939 and $1,400, respectively.
NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Donated Services:
Soaring Eagle benefits from volunteer services in program and administrative duties from Board members and other volunteers. Even though these donated services are valuable to Soaring Eagle, and help to advance Soaring Eagle’s mission, no amounts have been reflected in the financial statements for contributed services inasmuch as such services do not meet the criteria for recognition in the financial statements under accounting principles generally accepted in the United States of America, nor do they create or enhance non-financial assets.

Functional Expenses:
The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited based upon an analysis of personnel time and space utilized for the related activities. The direct cost of providing the programs have all been allocated to program services. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of Soaring Eagle.

Compensated Absences:
Pursuant to the policies and procedures manual implemented by Soaring Eagle, sick time and vacation time is accumulated on an ongoing basis and may not exceed maximum thresholds set within the policy. At June 30, 2019 and 2018, the accrued sick/vacation obligation was $69,075 and $64,266, respectively, and was reported as part of accounts payable and accrued expenses in the accompanying statements of financial position.

Use of Estimates:
The presentation of financial statements in conformity with the accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Events Occurring After the Report Date:
Soaring Eagle has evaluated events and transactions that occurred between July 1, 2019 and October 16, 2019 which is the date that the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

NOTE 2 – INVESTMENTS
Soaring Eagle presents investments in the statements of financial position at fair value. A fair value hierarchy has been established based on the observability of inputs to the evaluation of an asset or liability as of the measurement date. The three-level valuation techniques are based upon observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. These two types of inputs create the following fair value levels (Level 1, 2, and 3).
NOTE 2 – INVESTMENTS (continued)

- Level 1: Level 1 instruments are valued using observable inputs that reflect quoted prices for identical assets or liabilities in active markets that Soaring Eagle has the ability to access at the measurement date.

- Level 2: Level 2 instruments are valued using observable inputs, other than quoted prices included in Level 1, for the asset or liability or prices for similar assets and liabilities.

- Level 3: Level 3 instruments are valued using valuations that are derived from techniques in which one or more of the significant inputs are unobservable (including assumptions about risk). Because Level 3 fair values, by their nature, contain unobservable market inputs as there is no observable market for these assets and liabilities, considerable judgment is used to determine the Level 3 fair values. Level 3 fair values represent Soaring Eagle’s best estimate of an amount that could be realized in a current market exchange absent actual market exchanges.

The following tables set forth by level, within the fair value hierarchy, Soaring Eagle’s investments at fair value as of June 30, 2019:

Soaring Eagle invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect account balances and the amounts reported in the accompanying statements of financial position.

NOTE 4 – SPLITT INTEREST AGREEMENTS

Assets related to charitable gift annuity program are held in a segregated investment fund, at fair value. The actuarial liability related to the charitable gift annuity agreements is reflected as charitable gift annuity obligations in the accompanying statements of financial position. The actuarial liability related to the charitable gift annuity program is calculated using the Annuity 2000 mortality table and an assumed discount rate of 5%. Income from new annuity contracts is recorded as income at net present value, net of any future obligations of Soaring Eagle. The following schedule reconciles the annual activity of the gift annuity program for the years ended June 30:

NOTE 5 – BOARD DESIGNATED NET ASSETS

Net assets without donor restrictions include $93,220 and $94,988 of board designated net assets as of June 30, 2019 and 2018, respectively. Board designated net assets represent reserves set aside to serve as an additional reserve against unexpected actuarial losses on the charitable gift annuities. The board has established a reserve at 25% of the charitable gift annuity obligations at year-end.

NOTE 6 – NET ASSETS WITH DONOR RESTRICTIONS

Soaring Eagle had donor-imposed time restricted net assets during the years ending June 30:

NOTE 7 – PENSION PLAN

Soaring Eagle has a savings incentive matching plan for employees of small employers (SIMPLE) for all employees who earn at least $5,000 in compensation for the calendar year. Contributions by eligible employees may make salary reduction elections or modify prior elections monthly. Soaring Eagle matches up to 3% of employee’s compensation. The total pension contributions for the years ended June 30, 2019 and 2018 was $18,579 and $27,825, respectively.
NOTE 8 – CONCENTRATIONS OF RISK

Throughout the year, Soaring Eagle has cash or deposits with financial institutions that are in excess of Federal Deposit Insurance Corporation and Securities Investor Protection Corporation limits. Management considers the possible risk of loss related to cash deposits concentrations to be low as cash is believed to be held in financially sound institutions.

NOTE 9 – JOINT COSTS

Soaring Eagle derives its public support from direct mail solicitations. During fiscal 2018, Soaring Eagle began soliciting contributions online. Direct mail and online solicitations involve two distinct functions that are reported separately in the financial statements. The following schedule details total joint costs related to direct mail and online solicitations for the years ended June 30:

<table>
<thead>
<tr>
<th></th>
<th>2019</th>
<th>2018</th>
</tr>
</thead>
<tbody>
<tr>

<td>$ 399,733</td>
</tr>
<tr>
<td>Total joint costs</td>
<td>$ 1,227,173</td>
<td>$ 1,293,573</td>
</tr>
</tbody>
</table>

The fundraising function includes the cost of developing, producing, and processing mail appeals to current donors on the internal mailing lists of Soaring Eagle as well as sending an initial mailing to persons who have not previously contributed or are no longer actively participating in the house mailings of Soaring Eagle. The program awareness function includes costs of developing, producing, and processing newsletters and mailings in order to promote the activities and accomplishments of Soaring Eagle’s programs throughout the year.

NOTE 10 – LEASED EMPLOYEES

Soaring Eagle has a year-to-year contract with Avitus Group (“Avitus”), a professional employer organization for leased employees. Avitus provides comprehensive human resource services to Soaring Eagle and is responsible for personnel, administrative, and benefits management functions, as well as payroll processing and website development. Since Avitus is the employer of record for all employees assigned to Soaring Eagle, employees are included in the Avitus quarterly Internal Revenue Service Form 941, respective state filings, as well as workers’ compensation.
NOTE 11 – AVAILABILITY AND LIQUIDITY

The following represents Soaring Eagle’s financial assets at June 30:
